

### What happens to my Irish share plans if I take a career break?

**Profitshare**  
**Share Participation**  
**Salary Foregone**  
**Salary Sacrifice**

Awards under any of the above Irish share plans are not affected by your career break and all awards will remain in place and vest at their individual vesting dates.

**Sharesave**

You have three choices:-

1. **Continue to save into your Sharesave**  
 Please contact the savings provider (YBS or Computershare) for information about setting up standing order payments.
  
2. **Suspend your contributions**  
 Download and complete the **Sharesave Suspend** form and send it to your payroll department. If you suspend your contributions, your maturity date will be delayed. Your monthly deductions from your salary will automatically recommence when your suspension period has ended.  
  
 Remember, if you suspend more than 6 payments during your savings contract, your sharesave will be cancelled and your options will lapse. Any payments that you miss will have to be made up at the end of your savings period, month for month, so your maturity date will be later.
  
3. **Cancel your Sharesave**  
 Complete a **Cancel your Sharesave** form and send it to your payroll department, and contact the savings provider to obtain a refund (full details are on the Cancel your Sharesave form).
